

Angles, Lines, and Line Segments

Name: _____ Date: _____

Angles, Lines & Line Segments

Circle the correct answer.

1.

1. line segment DB
2. line DB
3. line segment BD

2.

1. line segment M
2. line NM
3. line segment N

3.

1. line segment X
2. line XY
3. line segment XY

4.

1. line segment AB
2. line AB
3. line segment B

Write the correct answer.

What is the name of this angle?

What is the name of the vertex of this angle?

Name the 2 rays of this angle:
